Date Received: _____

Follow-up Date: _____

Our mission is to lead people into the presence of God through music. We are about leading you, and our church into a deeper relationship with Jesus. All of us can and should worship God anytime, anywhere, but there is something special when the bride gathers together in person to connect with the Lord through song. This is why we do what we do! FCC is looking for gifted instrumentalists and vocalists who love connecting to Jesus through music and have a passion for leading others to do the same. Are you interested in joining the Northside Worship Team? We'd love to hear from you. Fill out the form below to get started.
